ACADEMIC YEAR 2021-2022 (ODD SEM)

**CERTIFICATE COURSE COLLABORATION WITH
WINGS TECHNOCRATS
10009- ANALYSIS & VISUALIZATION
PROGRAM REPORT**

The Department of Information Technology, Ganesh College of Engineering organized course on “10009- Analysis & Visualization “. The course was inaugurated on 3.09.2021 at 9.30.a.m Mr.S.Manivannan, AP/ECE of delivered the welcome address. The course was conducted during Sundays from 3.09.2021 to 1.10.2022 for the 30 hours.

The Resource Person Mr.S.Ezhumalai, Head of Wings Technocrats, delivered introduction of web and web based networks and some of the diagrams in visualization with hands on training with students.

The course Assessment with 25 multiple choice questions was carried out with around 21 students of IV-ECE students from Electronics and Communication of Engineering successful completed the course. The student was appreciated with the course completion certificate.

The feedback form was collected the particular by. Mr.S.Ganesan AP/ECE delivered the vote of Thanks at the end of the session.

At the end of this course, the students are trained with social Networks concepts.

ACADEMIC YEAR 2019-2020 (ODD SEM)

PPM10401- PROGRAMMING IN PHP AND MYSQL

COLLABORATION WITH WINGS TECHNOCRAT

PROGRAM REPORT

The Department of Computer Science and Engineering , Ganesh College of Engineering organized a Certificate Course on “PPM10401- Programming in PHP and Mysql” The Course was inaugurated on 08.09.2019 10.00 am. Dr. M. ThuraiPandian, Head, Dept of CSE delivered the welcome address. It was conducted during the weekends from 08.09.2019 to 13.10.2019 for the duration of 35 hours.

Mrs.R.Nandhini, WINGS TECHNOCRAT, started with introduction about Programming in PHP and Mysql on 08.09.2019. The course Assessment was carried out on 13.10.2019 (AN) which consists of 25 questions about the topic, discussed. Around 24 students of Final Year CSE successfully completed the course. The students were appreciated with the course completion certificate.

The feedback was collected from the participants. Ms. M.Sathya delivered the vote of thanks at the end of the session thanking Dr.M.ThuraiPandian, thanking to the coordinator of Mr. R.Sundaram (CSE) the event. The students are excited in doing Programming in PHP and Mysql after the successful completion of this course.

SW11402 – CERTIFICATE COURSE COLLABORATION WITH CADD CENTRE

ON

SOLID WORKS

PROGRAM REPORT

The department of Mechanical Engineering Sri Ganesh College of Engineering and Technology hosted a certificate course on “SW11402- Solid Works” Dr.S.Loganathan, HOD, and Department of Mechanical Engineering made the welcoming address at 10AM on the first day of the course.

It looks place over the course of 30 hours on Sunday, from 20/01/2019 to 17/02/2019. The Session to be conducted at our college premises.

Mr.S.Karaiadiselman, Managing Director, CADD Centre taught about solid works & its applications. This certificate programme adheres to a syllabus that was established as the beginning and of the training part. On 20.01.19, the Course Assessment was completed and questionnaire that included 20 questions concerning the course material. Around 106 second year mechanical Engineering students finished the course satisfactorily. The students were appreciated with the course completion certificate.

The feedback was collected from the participant

At the end of this course, the students were able to develop a pressure vessel model of the project.

SS10303- CERTIFICATE COURSE ON SITE SUPERVISOR TRAINING

COLLABORATION WITH CADD CENTRE TRAINING SERVICES

PROGRAM REPORT

Ganesh College of Engineering Department of Civil Engineering sponsored a Certificate Course titled "SS10303- Certificate Course on Site Supervisor Training". On the first day of the course, Dr. R. Sivasamundi, HOD, Department of Civil Engineering, Gave the welcome talk at 10 am. It took place in our college grounds over the period of 30 hours on Sunday, from 01/07/2018 on 29/07/2018. Mr. S. Karthikeyan, a trainer from CADD centre, Taught the students about build and how to construct the structural elements.

This certificate programme follows a set of guidelines that define the beginning and end of the training period. The course Assessment was performed on June 26, 2018, utilizing a questionnaire that comprised 25 questions about the course. Around 15 final year civil Engineering students finished the course satisfactorily. The students were appreciated with the course completion certificate. At the end of this, course the students were able to create a prototype model in all types of civil component projects.

From June 11 to June 15, 2018, the college hosted a three-day faculty development programme collaborated with Madha Engineering College on "**Effective Team Buliding**". The FDP programme received an over whelming response from the aspirants and finally the programme was attended by the total of 30 faculty members from various college and different departments. During this event, experts from college guided the participants and understand the importance of working in a team. Also, the queries of the participants were well addressed by the resource persons. There were 8 sessions throughout the course of this 3-day programme, which were followed with participant comments and an exam. The participants found this FDP quite beneficial. The workshop was quite educational for everyone, and the FDP was packed with knowledge. The resource person explanations were really informative. Additionally, many participants asked that future FDPs of the same kind be organized. The participants who successfully finished the programme received a certificate as well.

The institution held a Five-day Faculty Development Programme collaborated with PGP College of Engineering and Technology, Namakal on "Advanced leadership skills" that ran from June 14 to 18 2021. The FDP aimed to upgrade teaching, training, communication and leadership skills in the faculty. This program enabled the participants to develop an appreciation for the changing roles and responsibilities of the teachers and to prepare for the same. About 30 participants from different collaborative college had participated in this program. This FDP was quite helpful to the participants, they felt. The FDP was loaded with information, "Academic Leadership" covering the essential skills like Strategic Thinking, Planning and Delivery, People Management, Change Management, and Communication that a leader should possess. The explanations provided by the resource people were quite enlightening. Additionally, many participants asked that future FDPs with a similar format be organised. The program's participants who finished it successfully received a certificate as well.

The College hosted a Five-day faculty development programme collaborated with Sri Raaja Raajan Engineering College, Karaikudi on “**Learning Outcome Based Education**” from May 08 to May 12, 2017. We are proud to announce that the FDP experienced an overwhelming response from faculty and aspiring researchers. A total of 30 participants registered. During this event, experts from college guided the participants on various aspects of research work. Also, the queries of the participants were well addressed by the speakers. During this 5 days Programme, there were 13 sessions followed by participant’s feedback and quiz. The participants found this FDP quite beneficial. The FDP was full of knowledge and the session was very informative for all. The explanations given by resource persons were high informative. Many participants also requested to arrange similar FDPs in the future. A certificate was also issued to the participants who successfully completed the programme.

ACADEMIC YEAR 2021-2022 (ODD SEM)

CERTIFICATE COURSE COLLABORATION WITH

GAARK MICRO DEVICE

ON

KE10506- KNOWLEDGE ENGINEERING

Program Report

The Department of Electrical and Electronics Engineering, Ganesh College of Engineering organized a certificate course on “KE10506- Knowledge Engineering” The course was inaugurated on 29.08.2021, 10.00am. Dr. D.IIankumaran, Head of Dept EEE delivered the welcome address it was conducted during the weekends from 29.08.2021 to 26.09.2021 for the duration of 35 hours.

Dr.K.Murali Shankar, Gaark Micro device Started with Introduction to Artificial Intelligence on 29.08.2021. The Course Assessment was carried out on 26.09.2021(AN) which consists of 25 questions about the topics, discussed. Around 32 students of second and third year EEE complete the course. The students were appreciated with the course completion certificate.

The feedback was collected from the participants. Mr.R.Karthikeyan, AP/EEE delivered the vote of Thanks at the end of the session thanking Ms.Kiruba and thanking all the coordinators. The students are excited in doing experiment on knowledge engineering after the successful completion of this course.

ACADEMIC YEAR -2018-2017 (EVEN SEM)

CERTIFICATE COURSE COLLABORATION WITH

GAARK MICRODEVICE

ML10501- ELECTRIC MOTOR DESIGN USING MATLAB

PROGRAM REPORT

The Department of Electrical and Electronics Engineering, Ganesh College of Engineering organized Certificate course on “ML10501- Electric Motor Design using MATLAB” course was inaugurated on 04.2.2018, 10.30 a.m. Inaugural address was given by our principal Dr.M.Subas Chandrabose. Dr. D.IIankumaran Head of the Dept of EEE delivered the welcome address. It was conducted during Sundays from 04.02.2018 to 04.03.2018 for the duration of 35 hours.

Mrs. G.Visalakshi, AP/EEE, initiated the session by giving a brief Introduction on electric motors and MATLAB . Experienced faculty members of our department train the students on modelling of electric motors and Mr.M.Gowtham, Senior Engineer, Gaark Microdevice, Coimbatore provides hands on experience to participants.

The course Assessment was conducted on 04.03.2018 (AN), in MCQ pattern based on the topics covered. Around 81 EEE students successfully completed the course. The students were highly benefited by theoretical and practical aspects of the course. The students were able to simulate electric motor design using MATLAB.

The feedback was collected from the participants. Mrs. G.Visalakshi, AP/EEE delivered the vote of Thanks at the end of the session.

ACADEMIC YEAR – 2021-2022(ODD SEM)

CERTIFICATE COURSE COLLABORATION WITH

INSTITUTE OF INDUSTRIAL DESIGN

ON CNC PROGRAMMING

Program Report

The Department of Mechanical Engineering, Ganesh college of Engineering encouraged a Certificate Course on “CP11402- CNC Programming “ Dr.S.Loganathan, HOD, Department of Mechanical Engineering, made the welcoming address at 10.am. On the first day of the course.

It looks place over the course of 30 hours on Sunday, from 06.08.2021 to 03.09.2021 in our college premises.

Mrs.V.Kumar, Business manager, Institute of Industrial Design, taught about CNC machine and how to make models in laboratory. This certificate programme adheres to a syllabus that was established as the beginning and finish of the training part on 03.09.2021, the course Assessment was completed using a questionnaire that included 25 questions concerning the course material. Around 77 second & Third year mechanical engineering students finished the course satisfactorily. The students were appreciated with the course completion certificate.

The feedback was collected from the participants.

At the end of this course, the students were able to simulate the CNC program.

CERTIFICATE COURSE COLLABORATION WITH V3TECHSERV BUSINESS PARTNER

IOT10401- INTERNET OF THINGS

PROGRAM REPORT

The Department of Computer Science and Engineering, Ganesh College of Engineering organized a Certificate Course on "IOT10401- Internet of Things" The Course was inaugurated on 08/08/2021 10.00 am. Dr. M. ThuraiPandian, Head, Dept of CSE delivered the welcome address. It was conducted during the weekends from 08/08/2021 to 19/09/2021 for the duration of 35 hours.

Mr. P.Senthil, V3TechServ Business Partner started with introduction about Internet of Things on 08/08/2021. The course Assessment was carried out on 19/09/2021 (AN) which consists of 25 questions about the topic, discussed. Around 35 students of Final Year CSE successfully completed the course. The students were appreciated with the course completion certificate.

The feedback was collected from the participants. Mrs. M.Sathya delivered the vote of thanks at the end of the session thanking Dr.M.ThuraiPandian, thanking to the coordinator of Mr. R.Sundaram (CSE) the event. The students are excited in doing Internet of Things after the successful completion of this course.
